### **8<sup>th</sup> Grade Girls Volleyball**

On Friday night the 8th grade girls hosted the annual volleyball conference tournament here at Cooper. The team started off the tournament with a bang, taking on MacArthur. They showed no mercy and took it hard to Mac beating them in 2 games. Then the Cobras slowed down against Lincoln. The team played scared and ended up with two losses. Mac then faced Lincoln and were able to pull off two wins against the number one team. This put Cooper, MacArthur, and Lincoln in a three way tie if Cooper were to beat Holmes. The Cobras bounced back fast and beat the Hornets. It then came down to points allowed to the teams involved in the three way tie. Cooper advanced out of their pool along with Lincoln. The Cobras faced the hard hitting team of Thomas and were neck and neck during the match. Unfortunately they could not hold on and lost to Thomas in two. The team was sent to the consolation match against River Trails. The tired Cobras fought hard and pulled out a win to take 3rd place in the tournament. Congratulations to all the girls on a great day of volleyball! Thank you to all our managers and fans for their support during the tournament. And a BIG Thank you to all the teachers and staff that helped out with the tournament! Without you, we could not have done it. Don't forget the

team party is today after school. Please turn in your money and uniform to Mrs. Peterson. Thanks!
