Assistant Principal

July 2009

Dear Cooper Middle School Parents,

Welcome to Cooper Middle School!

As the new Principal, of Cooper Middle School, I am thrilled to be a member of the District 21 Administrative Team. While this is my first year as Principal of Cooper, it is not my first experience as a Principal of a middle school. Since 1999, I have served as a middle school Principal in St. Charles, Illinois. In addition to my experience as a school Principal, I am currently on staff as an Adjunct Professor at Aurora University.

I am very excited to have the opportunity to work with the wonderful staff and students at Cooper. They have been most welcoming and kind during the past few months of my transition to Buffalo Grove. I also look forward to partnering with you, the parents of Cooper Middle School, so that we can provide an optimal learning environment for the most important focus—our children.

Personally, I have a daughter, Megan, age 21, who is currently a student at Loyola University. Megan resides with her dog, Max, a miniature schnauzer, in Chicago. I am currently residing in St. Charles, with my golden retriever, Callahan. In addition to my Mom job, I am the President of the Loyola University Graduate School Alumni Association, where I completed my Doctorate of Philosophy Degree.

The Buffalo Grove Community and District 21 are great places with great people!

I feel honored to have the opportunity to provide leadership and build relationships among the Cooper Middle School Learning Community!

I am looking forward to a fabulous fall of 2009!

Please stop in and say “hello”! I am anxious to meet all the members of the Cooper Community!

Be sure to see the enclosed sheet for some important information you will need before the start of the new school year.

GO COBRAS!

Sincerely,

Pamela M. Kibbons, Ph.D.
