

Cooper M.S.

* * * * *

Moving Lane

* * * * *

In the Circle Drive in front of Cooper, cars will be asked to line up in the right lane along the cones placed near the school building. The left lane will be kept open for cars to quickly and safely move out of the Circle Drive.

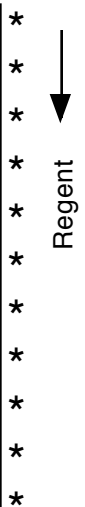

Stonegate

Plum Grove Circle

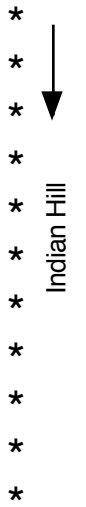

No Parking

On Plum Grove Circle or its side streets, cars may pick-up and drop-off students only in those areas marked with stars (*). Cars must not wait in any other areas. (These are designated as "No Parking" by the Village of Buffalo Grove.) This allows for the safe movement of vehicles and pedestrians in the area. **Cars should always pull as far forward as possible without blocking driveways.** Cars also should continue to pull forward in line so as to allow room in the roadway for other vehicles.
